**Montavilla Neighborhood Association – General Meeting
October 10, 2011**

At 7:30pm the Montavilla Neighborhood Association (MNA) General Meeting was called to order at the Montavilla United Methodist church with introductions of those in attendance. Board members in attendance include, Diana Marshall, Treasurer; Bobbi McCollum, Communications; Fritz Hirsch, Co-Chair/Safety; Louisa Lakos, SE Uplift Representative to MNA, Roger Warren, Chair Parks; Lew Scholl, Chair Land-Use Committee, Patrick Collins, Member-at-Large; and Marissa Swenson, Member-at-Large; and Jennifer Tamayo, Co-Chair/Member-at-Large, Susan Sansom, Secretary; Paul Knight, Events.

Unanimous approval received of the September 2011 minutes as well as the October meeting agenda.

As the first order of business, Co-Chair Ms. Tamayo announced open positions on the MNA board. These positions include: Board Chair – 2 year term; Sustainability Chair; SEUL Delegate – to serve on SEUL board and report happenings to MNA board. Ms. Tamayo noted that the board will be publicly posting these positions. Applicants need only indicate their desire to serve in the open positions at the November 2011 general meeting at which a vote by those in attendance will occur.

Police Update. Local law enforcement officers in attendance at the MNA General Meeting acknowledged the recent shooting in the MNA territory and indicated it was gang related. The officers suggested additional questions be held until the MNA workshop meeting on October 24th at the Montavilla United Methodist Church from 7:00 – 8:00pm. Ms. Tamayo asked if the officers knew about a series of home break-ins in the area. The officers indicated that criminals are everywhere, not just the Montavilla Neighborhood, and encouraged attendees to take appropriate precautions to keep themselves and their families safe. Ms. Tamayo asked if there were any increases in crime of which attendees should take note, and the officers noted there are typically more home burglaries during the holidays as well as car prowls. Officers recommended citizens to keep detailed pictures of their personal jewelry and records of all their computer's and other electronic's serial numbers, noting pawn brokers have a restricted timeline before they are permitted to resell such items.

Chairman Updates

Parks Chair Roger Warren updated the group on pest control management plans in neighborhood parks and provided an overview of parks in the community and Portland. Mr. Warren also announced the interest of the MNA Board to add a position for Public Education chair.

Land-Use Chair Lew Scholl discussed an application received outside the MNA boundaries pertaining to an application to develop 137 apartments in two separate phases at 99th & Glisan. Input hearing will be held on November 3, 2011 at 1900 SE 4th at 1:30pm. No discussion ensued or response given regarding the application.

Treasurer Dianna Marshal noted that she properly balanced the MNA checkbook and received a \$1,900 check from SEUL for communications funds that she will use to open the board's new MBank account.

Public Safety Chair Fritz Hirsch mentioned that the MNA received a grant a year ago to address graffiti problems in the area and thanks to the grant funding, residents were able to clear over 480 tags this past year.

Jared, Owner of Thatcher's on Stark Street was scheduled to speak at the meeting regarding Thatcher's yearly toy and coat drive to benefit a local non-profit. Jared was unable to attend the general board meeting but additional information related to the drive will be made available soon.

Domestic Violence Representative from YWCA

A YWCA Community Engagement Consultant spoke to the group in honor of Domestic Violence (DV) Awareness Month. The representative mentioned this year's campaign is to light the city in "purple" since purple is the Domestic Violence awareness color and called the attendees attention to the Morrison Bridge that is illuminated at night in purple this whole month in honor of this cause. Further details related to this month's awareness activities were noted and attendees were challenged to donate gift cards to DV centers as a way to help out and get involved.

A representative from the Highland Christian Center located at 76th & Glisan addressed the group noting that the center provides free counseling to those in need and hosts a youth annex. The representative mentioned an 800 person food drive being coordinating for the upcoming holidays and encouraged neighborhood citizens to get involved.

At 8:20pm, Mr. Warren motioned to adjourn the meeting; seconded by Mr. Knight. With no objections, the meeting was adjourned.

Hi Neighbors -

Many of you have expressed concern over the recent shooting incident at 79th and Glisan on the night of Friday, September 30th. To help address this issue, the Montavilla Neighborhood Association will be hosting a community discussion about the incident on:

Monday, October 24th

7:00 p.m. to 8:00 p.m.

Montavilla United Methodist Church - 232 SE 80th Ave

PURPOSE OF DISCUSSION

Residents, business owners and other concerned parties are encouraged to attend to learn more about the incident, hear from City of Portland representatives about how they are following up, and brainstorm how residents and businesses in the neighborhood can help to prevent this from happening again. Representatives from Portland Police and other City bureaus will be present at this meeting.

DETAILS ON SHOOTING

For background information, here is an Oregonian article on the incident:

http://www.oregonlive.com/portland/index.ssf/2011/10/update_police_identify_two_men.html

UPDATE

Just so everyone will know prior to this meeting, the Portland Police Bureau and Office of Neighborhood Involvement staff (crime prevention and liquor licensing staff) are meeting with the liquor license holder of the Peoples Bar & Grill to discuss how future violence can be prevented at this location.
