

MNA General Membership Meeting – November 2014
11/10/2014

Fritz opens meeting at 7:38PM

Introductions

Tamara presented the Living Stages event during December general meeting. 12/8 starting 7:30PM.

Fritz mentioning Food-Coop – this Saturday at beer bunker – food coop informational event

Michael presenting his platform running for PCC board member in May 2015

Lew asking for input regarding neighborhood development by going to the map app for the city's comprehensive plan.

Laura presenting requests for boxtops to be brought to MNA meetings for collection.

Ben promoting contacting 823-SAFE regarding speeders.

Staci from SMART – promoting SMART and asking for promotion and support by MNA for volunteers
Roger gives breakdown of a SMART volunteer day. Results show SMART support puts children ahead of their peers not in the program. 971-634-1628 to get in touch with SMART.

Duncan Wong from Jade District and APANO – very active in the 82nd and Division business planning. Busy summer months planning on how they want to see the area develop. #1 priority was walkability and safety. #2 community space. Worked on community garden at Harrison Park. Jade district night market drew 20K people and positive press. Updates on future events and plans for the Jade district. Creative placemaking projects on the table with grants for artists available.

Portland parks and rec – Danielle from urban forestry – presenting the Street Tree inventory – enables people in the neighborhood to better understand the trees in the neighborhood with the goal of promoting health and growth. Applications disbursed for applicants interested in improving health and growth. Data collected and compiled into a report for action. Trainings and workshops yearly provided. Neighborhoods must find a place for meetings and volunteers.

Meeting adjourned 8:31PM
